Camp Fees

Why three prices to choose from? Because families have differing abilities to pay, we offer a **voluntary** 3-tier pricing program. Please read the rate descriptions below and determine which rate best suits your family's ability to pay.

Rate A—represents the actual cost camp including direct expenses and long-term wear and tear.

Rate B—is partially subsidized

Rate C—is our historically subsidized rate.

Donations to the YMCA help keep this cost affordable, however, Rate C does not cover the true cost of camp. **100%** of the proceeds from A & B rates fund facility replacements and improvements.

This program is **voluntary** (you choose the tier) and in no way influences the quality of experience each child receives.

Additional financial assistance is available through our **Campership** program for residents of Fresno, Kern, Kings, or Tulare Counties.

EZ-EFT Payment Plan

EZ-EFT (electronic funds transfer) is the easiest way for you to pay your camp fees over time. It's simple, **secure** and best of all free. **How does it work?** Once you enroll in EZ-EFT, your financial institution will automatically send us your payment from your checking, savings or credit card account on the day it is due. **What about security?** Payment is made by your financial institution only with your authorization. What's more, Federal consumer safeguard regulations are even more stringent for EZ-EFT than when you pay by check, which means that EZ-EFT is more secure than conventional checking. **How do I sign up?** Complete the enrollment section below. A **\$100 non-refundable deposit** will be charged at time of registration. The remaining balance will be divided into equal monthly payments between the time you register and June 1. EZ-EFT payments are due on the 1st of each month.
